## RMax Challenge Series at Concept Motor Speedway

Concept Haulers Motor Speedway will host an open house next Saturday March 8. Marshall Martin, National Race Director and LSR Motorsports co-owner will be present to answer questions about the RMax Challenge Series for 2008. I will be there no later than 11AM and will stay until at least 3PM. The planned time for the Rotax meeting is 1PM.

### Dates for the CCHM RMax Challenge are;

April 5 - 19

May 10 - 31

June 28

August 9 -23

### Tires, Transponders and Fuel

We have MoJo D2 tires in stock Price for a Senior Junior set is \$209.00. We have the new AMB 260 transponders in stock. Don't rent and don't wait until the price goes up again. Jan 1 the price increased to \$285.00 and with the Euro climbing we can expect another one in the coming months. The official fuel for Concept Haulers Motor Speedway is Sunoco and the equivalent to VP MS 93, for Rotax, is actually the official fuel for NASCAR. We will have 5 gallon cans available on race day for both Race and other 2 cycle classes. Official oil for Rotax will be Motul official the Rotax Challenge Series Oil.

### LSR 24 Hours

Stacey has the new online store up. A lot of it is done and a lot more is coming. She has spent a lot of time on this and hopefully you will find the site easy to use. In time it will get done completely so visit the store regularly and let us know if you do not find what you are looking for.

Take a look at the website used equipment page, we have added chassis and engines from customers wanting to upgrade. There are some great buys available.

### New Castle Motorsports Park April 12-13

We will be there. We expect to have a number of Rotax drivers running in the TAG class at this event. Looks like a good time for those planning on attending. The official tire for this series is Bridgestone and we have some in stock if you need new tires.

### LSR on Bendix Store Hours

As the season gets closer we will start adjusting our hours to better serve everyone. Let us know when you need to stop by, call or drop us a note. Note my new office number. Hours and directions to the store are on the website.
