

THE RACE STARTS NOW!

The RACE starts NOW to qualify for the 2011 US Rotax Max Challenge Grand Nationals!

IT'S FOR EVERYONE: Whether your goal is to compete at the highest level or enjoy a weekend of racing with friends, Rotax Max Challenge is for you. It all starts at the local level and through a feeder system of local, regional or national competitions racers get the opportunity to test their skills against the best pilots in the world. And built around the versatile ROTAX kart engine, there is a class for anyone, whether you are 8 or 80! Visit www.GoRotax.com for complete class structure.

HOW TO QUALIFY: Over 30 Local and Regional Challenges competing throughout the U.S. make it easy for drivers all over the country to qualify to compete at the U.S. Rotax Grand Nationals.

PUT THE EMPHASIS ON THE DRIVER: Put the focus back on the driver with a sealed ROTAX engine program. Low operating cost, reliability, stable rules and high performance make the Rotax program the most popular and fastest growing class in the country.
